Mr. Frank J. Turner, President
Turner Company
P.O. Box 20741
Raleigh, NC 27619

Dear Mr. Turner:

We are pleased to inform you that your product is accepted for use on New York State Department of Transportation projects starting with the letting of 9/7/95. The specification revision necessary to approve this product will not begin appearing in contract proposals until this date. This product may be used on contracts let prior to 9/7/95, however an order on contract will be required. Your product will appear in our next printing of the Approved List as follows:

Approved List Number 7.42-3.1-2.

[6] PREFABRICATED ADJUSTMENT RINGS AND FRAMES FOR DRAINAGE UNITS AND MANHOLES
(715-13)

A. RINGS

SUPPLIER/LOCATION	TYPE	MATERIALS DETAILS NO.	DATE
Turner Company Raleigh, NC	AR3	191-TCL	6/28/95

Until the next list is published, this letter will serve as evidence of acceptability for your product.

If there are any changes in the manufacturing, formulation, or location of supplier of this product, you must inform the Materials Bureau immediately for action on continued acceptability.

We also wish to inform you that this letter shall in no way be used for promotional purposes such as a copy of this letter in any form used as advertisement in any sales literature or trade magazines.
